## Job Details

### Description:

Work where you matter. If you want to make a difference and have impact where you work, THIS is the role for you.

We're looking for YOU, our next MnPRA CPRS: (This is an on-call position)

### Job Summary:

The role of the MnPRA CPRS is responsible for delivering peer recovery support services. The MnPRA CPRS will host individual meetings with clients focused on: education; advocacy; mentorship; and, attending groups and meetings in support of recovery. This is an on-call hourly role, specifically to deliver 1:1 services.

### Essential Job Duties/Responsibilities:

- Deliver peer recovery support services consistent with scope of role and 245G requirements.
- Partner with clients care team to provide additional, intentional, 1:1 recovery support
- Complete documentation related to services provided. A PRSS can bill up to a maximum of 8 units per client (2 hours) in one day.
- Develop a Recovery Wellness Plan (RWP) upon initial meeting with a client. Ensure ongoing visibility of RWP with client's care team.
- Use a billing service report to submit hours in order to be paid based on services provided.
- Participate in weekly supervision meetings or the equivalent of 1 supervision hour to 20 service hours.

### Required Skills and Experience (Minimum Qualifications):

- Hold a Peer Recovery Specialist credential through the Minnesota Certification Board
- Personal experience with successful recovery for a minimum of two years prior to date of hire

- Excellent in-person communication, relationship management, and interpersonal skills
- Ability to model appropriate boundaries and a lifestyle that reflects MnTC's culture of honor

**Physical Requirements:**

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.

- Ability to hold a valid DL and transport clients

**Qualifications**

**Preferred**

**Ability to Make an Impact:** Inspired to perform well by the ability to contribute to the success of a project or the organization
